

## CHANGE

Think of me  
As I steal away the sun  
Turn around  
Are you the only one?

Think of Him  
As we walk the Earth  
Turn around in my time  
Think of what it's worth

(VAMP)

Find a way  
To never bring it back again  
Turn around now  
Are you my only friend?

Stay the same  
As we walk the earth  
Turn around  
Think of what it's worth!

[CH]

Well, it hurts me to say  
That we're throwing it all away  
How in the hell did we get so high,  
In a world that we live the today  
Well, it hurts me to say  
That we're throwing it all away  
How in the hell did we get so high?

Well, it hurts me to say  
That we're throwing it all away  
How in the hell did we get so high?YEAH!!!!

How in the hell did we get so high? In a world that we live today..  
In a world that we live.... Today....oh..  
In a world that we live today
