

IN THE END

It's not the way that you look Inside my head
It's not the way that you loved me
It's just a feeling of sorrow I regret
Too many faces remind me.

Leave it alone, Don't leave me alone
I pick up the phone no answer
Happy to lend No need to pretend
I see it all before me

[CH]

All I wanted was you. All I needed was myself
How we became unglued. I only found out In the end.

I can't remember the thoughts inside your head
I can't believe that I'm trying
Inside a world that is much Too hard to lend
This conversation Is dying

Leave it alone, Don't leave me alone
I pick up the phone but no answer
Happy to lend No need to pretend
I see it all before me

[CH]

All I wanted was you. All I needed was my self
How we became unglued. I only found out In the end

This conversation Is dying

Leave it alone, Don't leave me alone
I pick up the phone but no answer
Happy to lend No need to pretend
I see it all before me
