

PRETTY GIRL

Girl, I've got to say 'oh my'
Dear God you're lookin' good that you set me on fire!
And me, I'm just an average Joe
And I know
You're the object of desire everywhere

-

She's so sweet so hot like fire
She's the girl of my desire!

You, don't want me to care
But I see you there
It's like you don't remember making love!
You stand so pretty now,
And I know, when you're breathin' some affection in the air

She's so sweet so hot like fire
She's the girl of my _____

Girl, you don't bend
I, I want to be your latest trend
Idolize
Make me beg!
Oh, you look so pretty!

Let me tell about this beautiful
Long legs, short skirt
She's really got it going on tonight
Oh, yeah she's so pretty
That pretty girl's got it oh yeah!
